WEEKLY REPUBLICAN—1907.
DAILY PUBLIC LEDGER—1908.

MAYSVILLE, KY., TUESDAY, NOVEMBER 17, 1903.

ONE COPY—ONE CENT.

THE UNION WORKMAN TO HIS WIFE.
Wife, pull the blinds down closer
And double lock the door
Then get that shabby benny
That yesterday I wore,
And sew a button on it—
Sh-sh-sh! for there might be
An agent of the Union
Now keeping watch on me!
You see, dear wife, it's different
From how things used to go,
Before this Union business
Had tyrannized us so.
We had a little freedom—
We sometimes had some work—
Before this Sampankian
Had schooled us all to shirk.
You used to mend my garments,
I used to mend our shoes;
In fact, we once came nearly
Behaving as we chose,
But now we've got the Union,
"In union there is strength"—
God knows I realize it,
'Twill strangle me at length.
So pull the blinds down closer,
And double lock the door,
Then fix my shabby benny
That yesterday I wore.
Some agent of the Union
Might now be keeping tab,
And I might be blacklisted.
For, wife, you're a seal!

—New York Sun.

The case of James B. Howard, convicted of the murder of Senator Goebel, is set for oral argument in the Court of Appeals on Tuesday, November 24th.

The last Proceedings of the Grand Lodge of Kentucky, I. O. O. F., contains a handsome half-tone of the late Dr. John P. Phister of this city, who was Grand Master in 1881 and Grand Representative from 1886 to 1889.

A Good Name.

From personal experience I testify that DeWitt's Little Early Risers are unequalled as a liver pill. They are rightly named because they give strength and energy and do their work with ease.—W. T. Easton, Hoerne, Tex. Thousands of people are using these tiny little pills in preference to all others, because they are so pleasant and effectual. They cure biliousness, torpid liver, jaundice, sick headache, constipation, etc. They do not purge or weaken, but cleanse and strengthen. Sold by J. J. Wood & Son, Druggists.

Some People Call Them Velvets.

Why the manufacturers of velveteens, which are infinitely better than any velvets at their price, should persist in calling them "velvets" we don't know, but this misnomer has confused the whole trade and caused many misstatements. We prefer to be explicit about all goods we sell and you can depend on velvets and velveteens being distinguished here. We have a very attractive line of velveteens, almost as handsome and far more serviceable than velvet. We are sole agents here for the popular and well known, in fact the best velveteen—the Nonpareil. Black and colors, plain and printed effects. Five qualities and prices from 50c to \$1.25.

UNDER-PRICED CARPETS!

They are just as fine carpets in their various grades as the best mills in the land are turning out today—same qualities, perfect in every particular, handsome patterns in harmonious colorings and wide variety of designs. The only reason in the world for selling them underprice is because we bought them underprice in securing the stock of Messrs. George Cox & Son. These opportunities:

8 patterns of Axminster at \$1 a yard from \$1.25.

10 patterns of velvets at \$1 a yard from \$1.25.

20 patterns Brussels at 85c a yard from \$1.

35 patterns Ingrains at 50c a yard from 60c.

This offers a saving of five to fifteen dollars on a carpet, according to quality and quantity. An economy quite worth while.

Some reasons why you should wear Queen Quality: It's an easy wearing shoe, hence no tired feet at night; made of the best material, hence must be the most satisfactory wearing; it's the best fitting shoe, hence the most comfortable to the feet; made in the largest factory in the world, hence the reduction of cost.

AND NOW Mr. ARTHUR GOEBEL of Cincinnati is being "boomed" for Congress in Covington, to succeed the Hon. D. Linn Goen. That's all.

In the Ewing Precinct, Fleming county, where Judge HARRISON was "savorously" fought for renomination by the local Democratic Editor, the Judge ran ahead of his state ticket.

SAM PARKS might find some way to engineer a strike in Sing Sing.—Louisville Herald.

He most certainly would if there was a single contractor in there who had as much as eighty cents.

A New York surgeon has been commissioned to pay \$5,000 for a single ear—to replace one lost by a patient. An advertisement in THE LEDGER will secure at least 10,000 ears each day, and for much less money.

THE triumph of the Amendment to the Constitution is now conclusively shown by the returns already in from every county in the state. The Amendment carried by over 20,000. The success of the measure is a great victory for Kentucky, as it will be an encouragement to capitalists to locate manufactories and otherwise invest their capital.

THE attempt of Major ESTES G. RATHBONE to vindicate his own good name by exposing the shortcomings of General LEONARD A. WOOD, one of his chief persecutors in Cuban affairs, and the avowed friendship of Senator HANNA for Major RATHBONE, have greatly displeased President ROOSEVELT, who thinks ex-Governor-Brigadier-General WOOD is the greatest that ever happened.

THE bill which the Hon. OLLIE JAMES asks Congress to pass for the purpose of compelling Governor DUBIN of Indiana to surrender ex-Governor TAYLOR of Kentucky to Governor BECKHAM of Kentucky, is a direct blow to States Rights, a doctrine that used to be very near and dear to the old-fashioned Democratic heart. But what does a Goebel Democrat care for States Rights when he wants another victim for tomecamel's \$100,000 blood-money fund?

THE Snivel Service Fraud will, in all probability, never be applied to applicants for enlistment in the Army when there's fighting to be done. It makes no difference then whether a recruit knows the capital of his own state, just so he is able to walk or ride—and shoot. It's only when a fellow wants to carry letters or read the postal cards in a Postoffice, or do a little ordinary copying in one of the Departments at Washington, that he must know everything about everything that has nothing whatever to do with carrying letters or reading postals or writing in a book.

A CITIZEN'S STORY.

Told By a Maysville Citizen For the Benefit of Maysville People.

The greatest importance attached to the following is that it concerns a Maysville citizen. It would lose three quarters of its interest if it involved some resident of Kalamazoo, Mich., or Woonsocket, R. I. Like all the testimony which has appeared here, and like all which will follow about the Old Quaker remedy, Doan's Kidney Pills, it comes from residents, fellow-citizens and neighbors. No other remedy can show such a record of home cures. Read this case:

Mrs. R. R. Housh of 394 Forest avenue says: "Doan's Kidney Pills quickly relieved Mr. Housh of backache which had been a source of discomfort to him for some time. I procured the remedy at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, and its proven value is so great that it should be known throughout the world."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.

Five hundred thousand factories in the United States add \$5,600,000,000 in value to \$3,000,000,000 of raw material and their net output, exclusive of duplications, is more than \$8,000,000,000,000.

The Best Remedy for Croup.

From the Atchison (Kan.) Daily Globe.
This is the season when the woman who knows the best remedies for croup is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies are almost as sure to be lost, in case of croup, as a revolver is sure to be lost in case of burglars. There used to be an old-fashioned remedy for croup, known as hive syrup and iolub, but some modern mothers say that Chamberlain's Cough Remedy is better, and does not cost so much. It causes the patient to "throw up the phlegm" quicker, and gives relief in a shorter time. Give this remedy as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by J. Jas. Wood & Son.

\$500 REWARD.

The Farmers Mutual Aid Association of Union County, Kentucky, offers a reward of \$500 for the arrest and conviction of the party or parties who burned the property of Colonel W. W. Baldwin and Langhorn Anderson, Esq., near Maysville, Ky., or if it will pay \$250 for the arrest and conviction of the party or parties that burned either of said properties.

By order of the Executive Committee.
W. H. ROBB, President.

SMALLPOX cases in the Big Sandy region are as thick as Democratic votes in Lewisburg.

UNCLE SAM wants his ma—his Pana-ma.—Dover Messenger.

Sure, MIKE! But doesn't he want his Pan-ma both?

FINDING that the people of Covington have no further use for him as an official, Judge JEEMS PEWTERKIN TARVIN of the big bore threatens to move to Louisville for the practice of judicial politics.

THE striking butchers and plumbers of Cincinnati haven't seen fit, up to the present time, to indulge in rioting or other unlawful measures. There has been no stoning of workmen who have taken their places, such as has characterized the streetcar strike in Chicago. The public is always on the side of law and order; for this reason, the Cincinnati strikers deserve success; for the same reason, the Chicago outlaws should meet defeat.

UP to the time when Hon. W. O. BRADLEY was elected Governor of the state the Democrats claimed Kentucky by large but gradually decreasing majorities. And while he was elected by a fair majority, they had so manipulated the districting of the state as to still hold the Senate.

In the next legislative election they scored a good working majority of both Houses of the Legislature. And then, conscious that they had about lost their majorities, they went to work to devise means of holding the state without majorities.

They took the election machinery out of the hands of the people and by passing the infamous Goebel Law put it into the hands of a Democratic Machine. They deliberately destroyed all chance of a fair election, and there has not been a fair one in Kentucky since that time; and will not be while that law stands.

In the election for Governor in 1899 a large part of the most intelligent and influential Democrats revolted at this action of their party and went against them. And when the election came off even the Democratic Machine had to declare TAYLOR and his associates elected, and they were duly sworn in. But the Legislature was Democratic, and they simply proceeded to rob Governor TAYLOR and the other Republicans of the offices to which they had been elected.

It is not a question of ordinary politics; it is a question as to whether the first principle of Republican and Democratic government shall stand. Shall the majority of the people rule, or shall we all be slaves to the Democratic Machine?

Political Pickings

THAT'S THE RIGHT STUFF!

Cynthiana Democrat.

It is more than probable that the incoming Legislature will take steps to amend the Constitution to eliminate the illiterate vote. The great majority of Negro voters, who pay no taxes and are a burden on communities, will be denied the right of suffrage unless they possess a certain degree of education. A great many worthless white voters will be disfranchised also, and they ought to be.

The average value of the anthracite coal marketed last year was \$2.50 a long ton. The amount was 40 per cent. less than that for the previous year, being less than 37,000,000 tons.

Contracts for the state printing have been awarded by the State Sinking Fund Commission. The George G. CLIMATIC CURE.

The influence of climatic conditions in the cure of consumption is very much overdrawn. The poor patient, and the rich patient, too, can do much better at home by proper attention to food digestion and a regular use of German Syrup. Free expectoration in the morning is made certain by German Syrup; so is a good night's rest and the absence of that weakening cough and debilitating night sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer climate, you will find that of the thousands of consumptives there, the few who are benefited and regain strength are those who use German Syrup. Trial bottles, 25c; regular size, 75c. At Henry W. Ray's, next door to Postoffice.

Successful Maysvillians!

OUR WASHINGTON COLONY!

Ex-Fellow Citizens Who Stand Right Up in the Front.

What These Men Might Have Done at Home If There Had Been Enterprise Here.

Mr. John D. Wakefield, writing to The Louisville Times, gives a list of Kentuckians who have scored successes in Washington, among them the following ex-citizens of Maysville; and there's not another city in the state that can make such a showing.

THE LEDGER has made a few historical additions to Mr. Wakefield's text—

WILLIAM J. KEHOE.

William J. Kehoe—credited to Cynthia, Harrison county, where he went from Maysville, a brother of Representative James N. Kehoe of the Ninth District, has made a notable success in the Capital. He went to Washington in 1883 as Secretary to John G. Carlisle, Speaker of the House. He began on a salary of \$1,800 a year. Mr. Carlisle liked him and during the Fifth Congress Mr. Kehoe was appointed Committee Steagographer at a salary of \$4,000 a year. He has held this office ever since and by a series of successful investments in Mercantile Linotype stock and real estate he has amassed a fortune estimated all the way from \$250,000 to \$500,000.

ANOTHER LUCKY KEHOE.

Dexter Kehoe, brother of W. J. Kehoe and of the Congressmen, has also won success in Washington. Mr. Kehoe was once in charge of the Public Printing in Kentucky, and in the late 70's was a partner with The Ledger Man in the printing business in this city. During Cleveland's first Administration he was appointed to a position in the Government Printing Office and has been a resident of Washington ever since, now holding a place in the Consular Bureau of the Treasury Department, which is "hailed down" by the Civil Service Law.

SAMUEL M. GAINES.

Samuel M. Gaines, Chief of the Division of Mails and Files in the Treasury Department, is another one of Mr. Carlisle's proteges. Mr. Gaines once edited a paper at Hopkinsville and was a Democratic candidate for Clerk of the Court of Appeals of Kentucky. He was defeated, but was later appointed a Deputy in the Appellate Clerk's office at Frankfort. After this, he was induced to come to Maysville and start a Democratic paper, The Commonwealth, in opposition to The Bulletin; and some people thought and hoped the new venture would result

in driving The Bulletin out of business. Mr. Gaines's paper, like nearly every other venture of that sort, was short-lived. His "backers" soon tired of "putting up," and The Commonwealth died a-borning, while The Bulletin, like the brook, &c., &c.

HARRY GIOVANNOLI.

Harry Giovannoli, Private Secretary of Commissioner Yerkes, is favorably known to many of our citizens as one of the brightest young men of Maysville some fifteen years ago. Harry went from here to Danville, where he did some excellent newspaper work. He is Mr. Yerkes's right-hand man and has a nicely appointed office adjoining that of the Commissioner in the Treasury Building. He is a busy man, but finds some time to devote to writing for the press.

CHRISTIAN SHULTZ PEARCE.

Mr. "Crit." S. Pearce is a Maysvillian who handles millions of Uncle Sam's cash every day. Some days as many as \$40,000,000 pass through his hands. He talks of millions of dollars with as little concern as men in other Departments talk of cents. Mr. Pearce is the Teller of the National Treasury, and he is simply surrounded by money—gold, silver and paper. He says he likes money as well as any other person, but gets tired seeing it and handling it.

JOHN R. PROCTER.

John R. Procter, President of the Civil Service Commission, is an interesting Kentuckian, because it is said that he is one of President Roosevelt's closest friends and advisers. Hardly a day passes that Mr. Procter does not spend a part of his time at the White House. He goes early in the morning and late at night. He served on the Civil Service Commission when Roosevelt was a member of that body and the two then formed close relations which have grown stronger with time.

Mr. Procter was for several years a resident of this city, and his wife is a Maysville lady, a sister of Mr. C. C. Dohy.

He was, prior to going to Washington, State Geologist of Kentucky, and is reckoned as one of the leading scientists in the country.

He was appointed on the Civil Service Commission as a Democrat by Mr. Cleveland, during the latter's second Administration.

THERE ARE OTHERS.

In addition to the foregoing, Maysville has a number of other "favorite sons" drawing salaries from Uncle Sam—Titus F. Ellis, Bruce Austin and Charlie and Guy Broome in the Government Printing office; Captain John W. Stevenson, a brother-in-law of Mr. Joseph F. Thompson, who is Captain of the Treasury Watch; and there are many others who are dead willing to take a job in the old gentleman's service.

River News

The river continues to fall at all points.

Several steamboatmen are enjoying life and health at French Lick Springs.

Soon as a good rise comes the Lee Line boats will enter the Cincinnati, Louisville and Memphis trade.

The Harry Brown, J. B. Williams, City of Cincinnati, Morning Star, Julian Poydras, Parlor City, W. C. Hite, Sunshine and Columbia are at Jeffersonville. The W. W. O'Neil, Alice Brown and Sam Clark are at Towhead Island. The Tom Dodsworth is at West Louisville and the J. B. Finley at Wolf Creek.

Notwithstanding the long siege of low water in the Ohio river, there have been but very few boats to run aground anywhere and stick any great length of time, so far. One or two boats sank, but they were easily raised. All the larger steamboats and all the towboats have found harbors at good landings and are waiting for the fall rise so that they can resume their trips. It is the general opinion of old river prophets that the low water season will soon be over and the river trade and traffic will again be booming.

Cured of Piles After 40 Years.

Mr. C. H. Hane of Geneva, O., had the piles for 40 years. Doctors and dollars could do him no lasting good. DeWitt's Witch Hazel Salve cured him permanently. Invaluable for cuts, burns, bruises, sprains, lacerations, eczema, tetter, salt rheum, and all other skin diseases. Look for the name DeWitt on the package—all others are cheap, worthless counterfeits. Sold by J. J. Wood & Son, Druggists.

Miss Alice Bailey, of Atlanta, Ga., escaped the surgeon's knife, by using Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I wish to express my gratitude for the restored health and happiness Lydia E. Pinkham's Vegetable Compound has brought into my life.

"I had suffered for three years with terrible pains at the time of menstruation, and did not know what the trouble was until the doctor pronounced it inflammation of the ovaries, and proposed an operation.

"I felt so weak and sick that I felt sure that I could not survive the ordeal, and so I told him that I would not undergo it. The following week I read an advertisement in the paper of your Vegetable Compound in such an emergency, and so I decided to try it. Great was my joy to find that I actually improved after taking two bottles, so I kept taking it for ten weeks, and at the end of that time I was cured. I had gained eighteen pounds and was in excellent health, and am now.

"You surely deserve great success, and you have my very best wishes."—Miss ALICE BAILEY, 50 North Boulevard, Atlanta, Ga. — \$5000 forfeit if original of above letter proving genuineness cannot be produced.

All sick women would be wise if they would take Lydia E. Pinkham's Vegetable Compound and be well.

Stepped Against a Hot Stove.

A child of Mrs. Geo. T. Benson, when getting his usual Saturday night bath, stepped back against a hot stove which burned him severely. The child was in great agony and his mother could do nothing to pacify him. Remembering that she had a bottle of Chamberlain's Pain Balm in the house, she thought she would try it. In less than half an hour after applying it the child was quiet and asleep, and in less than two weeks was well. Mrs. Benson is a well known resident of Keller, Va. A strange story of the discovery of an unsuspected art treasure comes from Canada. A Montreal art dealer was playing golf and drove a ball through a window of a cottage. It struck a picture on the wall. The dealer paid handsome compensation and also acquired the injured picture. A Scientific Discovery.

Kodol Dyspepsia Cure does for the stomach that which it is unable to do for itself, even when but slightly disordered or over-loaded. Kodol Dyspepsia Cure supplies the natural juices of digestion and does the work of the stomach, relaxing the nervous tension, while the inflamed muscles of that organ are allowed to rest and heal. Kodol Dyspepsia Cure digests what you eat and enables the stomach and digestive organs to transform all food into rich, red blood. Sold by J. J. Wood & Son, Druggists.

How long will it take the man to fill the sack if he does not stop the leak? To attempt to nourish the body when the stomach is diseased is like trying to fill the sack with the hole in it. When the stomach and other digestive and nutritive organs are diseased, there is a constant loss of nutrition.

Enough is eaten but the body loses flesh, plain proof that the food eaten is largely wasted because it is not digested and assimilated.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It stops the leaks by which nutrition is lost, and enables the building up of the body by the nutrition derived from food. The gain in weight proves the cure.

"Three years ago I was sick with what the doctor called nervousness and indigestion," writes Mrs. Warren E. Parker, of Orange Street, Nantucket, Mass. "He gave me medicine for the trouble, but I could not eat even a little food or stomach without suffering severely. In a few months I began to have distressing pain right in the pit of my stomach. I called the doctor again and he said I had catarrh of stomach; gave me medicine but it did not do any good. I lost 28 pounds in three months. I then commenced taking Dr. Pierce's medicines and soon began to feel better. I have taken six bottles of 'Golden Medical Discovery,' two of 'Favorite Prescription' and six vials of Dr. Pierce's Pellets. I have gained ten pounds. Can eat everything."
